Dear Parents, Staff, Students and Friends of the Bethlehem Community,

Reflection

Prayer for HSC Students
Let us pray for our young people as they sit their HSC examinations
God we ask that they especially feel your closeness during the HSC exam period.
Give them calm hearts and quiet confidence in the knowledge that you hold them in the palm of your hand
Bless them with keen understanding and retentive memory
Give them the ability to grasp things correctly, be exact in their explanations
And an ability to express themselves clearly.
Point out the beginning, direct their progress and help them in the completion of each of their responses.
Holy Spirit send them your gifts of wisdom and knowledge
We ask this through Christ our Lord,
Amen.

Welcome back to Term 4. It was lovely to see the girls return after a two week holiday looking happy and relaxed. I would also like to warmly welcome new students and their families who have joined our community this term

HSC examinations commence
Last Thursday, October 13 the HSC Class of 2016 commenced their HSC examinations along with over 77,000 other students across NSW. 2016 is the 50th year of the HSC exams. While the girls were very nervous on the first day of their exams, they were well supported by their Year Mentor Mr Gwyer and their teachers who were with them before they entered the hall and after they finished their exams just as they had been with them for their entire HSC journey.
The final exam will conclude on November 4 and HSC results will be issued online, by email and via SMS from 6.00am on Thursday 15 December. I would ask you to continue to pray for our young women as they complete the final stages of their HSC journey.

Student success
Once again Bethlehem College students continue to achieve great success in areas such as: performing arts, sport and cultural endeavours.
Congratulations are extended to the following students:

• Caitlyn McPhillips Joseph, Madison Hough and Jayde Townsend have been accepted into the 2017 Wingara Mura - Bunga Barrabug Summer Program at the University of Sydney. The program runs from Sunday 15th January to Thursday 19 January, 2017. Wingara Mura means “Thinking Path” in the Cadigal language and the program hosts students on campus where they explore campus life and participate in extracurricular activities.
• Alexandra Georgopulos (Yr 12) has been sponsored by FIFA (The Fédération Internationale de Football Association) to attend a 2 day program at its headquarters in Zurich, Switzerland on October 27 & 28. During the program Alex gets to meet FIFA executives to discuss Sports Management and the Marketing of football. They are particularly interested in her views on the marketing of football in an Australian context.
Alex is very passionate about football, has been very involved in her local club as a referee and is hoping to pursue a career in business with a focus on Sports management. This amazing opportunity will combine both of her passions. She will also be sitting a few of her HSC examinations at the British Consulate in Zurich!
• Jessica Tannous, as part of the CaSPA vocal showcase ensemble has been invited to perform at two significant events this term: the Literacy Conference at UNSW Kensington and the Sydney Catholic Schools Social Justice Day at SCCVC.

Staff news
Acting Youth Ministry Coordinator
Congratulations to Ms Carla Beshara (RE/English) who has been appointed to the role of Acting Youth Ministry Coordinator for Term 4. In addition to her classroom experience as a Religion Teacher, her active involvement in spirituality and social justice initiatives at the College, Ms Beshara is also Youth Coordinator in her own parish facilitating youth faith formation programs, retreats and catechesis. I would like to offer my prayers and best wishes to Ms Beshara as she commences this important ministry at our College.

Baby news
Congratulations to Mrs Christine Succar (HSIE department) and her family on the safe arrival of her third child, a boy, Christian James Succar born during the holidays. Mrs Succar tells me that he is doing well.
Late last term Sydney Catholic Schools placed an Expression of Interest ad in the Sydney Morning Herald inviting building companies to tender for our building project. Last week, representatives from the six companies wishing to tender for the project visited the school for a briefing on the project. Mrs Condon, Architect Rachel Neeson (Neeson Murcutt) and I gave presentations before they toured the school. During the tender period, the companies will then have the opportunity for further site visits before the Tenders Close at 2.30 pm on 15 November 2016.

Parent Reminder: Year 10 (2017) Senior Uniform

• Parents and students are reminded that they need to purchase the senior uniform in preparation for the 2017 school year. Please visit the Uniform Shop for measurement.

Uniform Shop hours 2016 / 2017

The shop will be open on special Saturdays before Christmas. Please phone the Uniform Shop on 9799 6163 (during the shop operating hours) to make an appointment for one of the following:

Family Planning for 2017

Bethlehem College

We understand at this time of the year families are planning for 2017 and may be making changes – perhaps moving house. We are currently arranging classes for next year and as we have waiting lists for each year level in the junior school, we would appreciate it if you would complete the slip below if your daughter will not be returning to Bethlehem College in 2017. This will enable us to offer places to students on our waiting lists. The families on our waiting lists are very anxious to gain a place at the College and frequently ring our enrolment secretary to establish whether any vacancies exist.

If applicable please return this slip to the School Office by 28 October 2016.

Reason for not returning to Bethlehem College:

If transferring to another school please give name of school:

Date leaving:

Student Name: (please print) Homeroom:

Parent’s Name: (please print)

Parent’s Signature: Date:

PAYMENT OF SCHOOL FEES

Thank you to all the families who have settled their school fee accounts.

Your payment of fees directly impacts the ability of the College to provide quality teaching resources and facilities for all students. It is important for every family to make a financial contribution to their daughter’s education.

For those families who are in arrears, could I please ask you settle your fees by 30th November, 2016. If you have an agreed payment plan, could I please ask that you continue with this plan over the holiday period by paying through BPAY. Thank you.

Jo Condon
Business Manager

Tax File Numbers (TFN)

The Australian Taxation Office would like to encourage school leavers to apply for a tax file number (TFN). Most students will need a tax file number when leaving school. This is essential for their employment, deferring university fees or applying for Centrelink benefits. The most convenient way to apply for a TFN is to visit your local Post Office.

To find out more information, please visit www.ato.gov.au/TFNapply

Mrs Paula Bounds
Principal
From the Acting Assistant Principal…

Dear Parents, Students and friends of our wider Bethlehem Community,

As we begin each new term it seems that a number of our students feel that some of our basic expectations and rules change over the holiday period. Can I remind parents and carers that these expectations and rules have not changed and below is an outline as a reminder.

College Summer Uniform and P.E. Summer Uniform

- The College Summer Uniform is to be worn to and from school. If a student wishes to wear their College Jumper to school it must also be worn with the College Blazer.
- White socks are to be worn by students in Year 7 - 10
- Navy socks are to be worn by students in Year 11-12.
- College Summer PE Uniform is to be worn to and from school every Thursday. The College jumper can be worn under the jacket.
- Students are NOT permitted to wear tights at any time unless directed by a member of the Executive or the P.D.H.P.E department for a specific sport.

Travel to and from school

- Students must travel directly to school each morning and travel directly home from school each afternoon. This also means that students from our college don’t visit shops to purchase food and come straight to school and go home directly from school. They do not spend time at Ashfield station waiting for or talking to others.
- For safety reasons, students are not permitted to walk through the Ashfield Station underpass, back streets or through the Ashfield Catholic Club car park.
- Students need to cross roads at traffic lights or pedestrian crossings.
- Students who are driven to and from school are to be dropped off and picked up at the designated stopping area on Bland St.

College Backpack

- The College Backpack is a compulsory uniform item in addition to the College Purple bag.
- The College Backpack is to be stored in students lockers for Periods 1-4 and the College Purple Bag is to be used by students.
- Students are expected to arrive at the College by 8:30am and go straight to their lockers to prepare for Periods 1-2 and place all necessary items in the College purple bag.
- At the start of recess students are expected to collect items for Periods 3-4 and place them in the College purple bag, whilst also collecting food for recess.
- At the start of lunch students are to collect their College backpack from their lockers and place all necessary items in the backpack for Period 5 and homework for that evening.
- The College bag has been ergonomically designed to reduce stress on students lower lumbar and shoulders if used correctly. The correct use of the bag entails ensuring both shoulder straps sit on the middle of each shoulder and the straps are adjusted so that the bottom of the bag is positioned just above the hip.

Mobile Phones

Students are allowed to bring mobile phones to school on the clear understanding that:

- Phones are to be kept on silent during the school day and only used for educational purposes as directed by a member of staff; the phone is not be used for any other reason.
- Students may not take calls from parents, or make calls to parents from their mobile phone during school hours. Students must go to the office to make these calls. Parents are requested to call the office rather than contact their daughters directly via their mobile phone.
- Students bring the phone to school at their own risk.

Jewellery, Hair, Nails, Make up and Chewing gum

- Hair: Natural colour. Conventional style. Shoulder length hair to be tied back with scrunchie or ribbons (navy, black or lilac). Students must not dye their hair.
- Headbands: Navy, black or lilac. No more than 3cm in width. No adornments.
- Earrings: 1 small silver or gold stud or sleeper in the lower lobe of each ear. NO nose studs, eyebrow studs, tongue studs or any other external body piercing adornments permitted.
- Rings: 1 plain or signet ring only.
- Nails: Clear colour, trimmed (long nails are inappropriate for writing, sport or practicals). No acrylic/gel/false nails.
- Make up: Students are NOT permitted to wear any make-up.
- NO visible jewelry, adornments, medals or symbols around the neck.
- NO bracelets.
- Items that are NOT permitted (as referred to above) will be confiscated and not returned until the end of this term.
- Chewing Gum is NOT permitted at the College.

If a student of our College continues to breach one or any of the above basic expectations then contact will be made to parents/carers from the Year Mentor or myself. It is envisaged that this will not occur as ALL students of our College have a clear understanding of our basic expectations.

Liz Moodey
Acting Assistant Principal
From the Acting Religious Education Coordinator…

Bethlehem’s ongoing involvement with Settlement Services International (SSI)

During the holidays some of our Year 11 students were involved in SSI’s Community Kitchen Event. The girls helped to prepare meals, face paint and play soccer with the children of asylum seekers at the Auburn Centre for Community. This is the second year our girls have been involved in this event and SSI are delighted to have their assistance. Thank you to all those girls who participated.

Years 8 & 10 Archdiocesan Religious Education Test

Throughout this year the Religious Education teachers have been preparing our Year 8 students for the Sydney Archdiocesan Religious Education Test. On Wednesday 12th October every Year 8 student in a Catholic School of the Archdiocese of Sydney participated in the examination. This year, some of our students were involved in the first Sydney Archdiocesan Religious Education Test for Year 10. We eagerly await the results of the test in the coming month.

Night Patrol 2017

We recently received a letter from Graeme Roche, the Diocesan Executive Officer for Sydney Archdiocese Central Council, St Vincent de Paul Society. Mr. Roche wrote to inform us that after a recent review of the Sydney Night Patrol services it was decided that students under the age of 18 were no longer able to participate, out of concern for their safety. Sadly, this means that our school’s long involvement with Night Patrol will finish at the end of this year. Currently, we are looking into alternative outreach programmes in which our senior students can participate.

In faith,
Mrs Ruth Casey
Acting Religious Education Coordinator
Our children are the lights of our lives. We all start off as parents envisioning nothing but success, love and happiness for them, however, these dreams do not always get realised because they are not getting the important things they need to become disciplined, mature and motivated adults. The following are six important parenting mistakes that can add to their troubles later on in life.

1. **Ignore or minimize your child’s feelings.** If your child is expressing sadness, anger or fear and you minimize what they feel you are essentially telling them what they feel is wrong.

2. **Inconsistent rules.** Children live up or down to what we expect from them. Rules give them guidelines and boundaries to help them. If they have to find the boundaries themselves, it can lead to low self-esteem and problem behavior.

3. **Make your child your friend.** Never share all your worries, concerns and relationship problems with your child or ask their advice. You must show your children you can stand up to problems, face your challenges and handle life through all the stress and come out on the other side.

4. **Showing no love to your spouse.** If you never show affection and love to your partner/spouse in front of your child, the child does not develop a barometer for what love is or what it looks like.

5. **Punish independence and separation.** When we punish our children for growing up, we make them feel guilty for having normal developmental needs and desires, which often causes deep insecurity and rebellion. Allow them to take “safe” risks and be there to catch them if they fall.

6. **Meddle in your child’s relationships.** Directing every action your child takes in their relationships — from friends to teachers — inhibits their maturity. For example, if your child gets in trouble at school and you immediately rush to talk to the teacher to get them off the hook, or you are constantly telling your child how to be a friend, as your child grows she will struggle with relationships.

Encourage your child to problem solve with your guidance, encourage her to take her first steps to independence with your guidance and remember that we all need to make our own mistakes to learn.

Karen Rushbrook  
School Counsellor
‘Night of the Notables’ Gifted & Talented Program...

On Wednesday evening, October 12, sixteen select students from Years 7 to 10 gave a variety of inspiring and entertaining individual and group performances as notable persons. The students dressed as their chosen notable person and remained in character for the night whilst their parents and friends explored interactive displays. This Night of the Notables event was the culmination of an educational journey of personal growth for all participants.

During Terms 2 and 3, the students researched their chosen notable's life, challenges and significant contributions to society. Based on their personal area of passion, each student carefully chose their notable person. Through a program of mentored investigation, the students developed a greater depth of understanding of how their notable made a difference to our lives and the progress of humanity.

The Night of the Notables program is student centred, develops higher level thinking, allows for different learning styles and encourages creativity. Through this process, the students identify with their notable and come to realise that they are also capable of making a notable contribution to society using their own unique gifts and talents.

The students’ enthusiasm, outstanding level of effort and dedication to this voluntary Gifted and Talented Program is to be congratulated.

Gloria Parker and Tim Huang
Gifted & Talented Team
2016 has been an eventful year at Bethlehem College for Year 11 with the undertaking of many educational and pastoral initiatives. Students have made the transition to senior schooling and commenced HSC units of study, which has been challenging and has encouraged maturity in the girls.

To assist students with managing the demands that accompany their new educational careers I have been addressing issues of anxiety, overwhelming stress and resilience building with the Year 11 cohort.

Students have taken part in the following:

- Senior Homework Club, which takes place every Thursday afternoon and is held in the College Library – a calm, study-conducive environment. Mr Huang, Mrs Parker and I are in attendance each week to assist students with class work and assessment tasks, and provide advice on time management and study strategies;

- Individual meetings with Mrs Mann and me to discuss study schedules;

- Breakfast Club on Tuesday and Thursday mornings;

- Wednesday Afternoon Homework Club;

- BStreetSmart presentation at Allphones Arena: an injury prevention program and forum organised by Westmead Hospital Trauma Department; (photo right)

- SRC Leadership Camp and the allocation of portfolios.

- Study Skills workshops held in Term 3 which were written and presented to the cohort by me, Mrs Haid Messer and Mr Huang. These sessions provided the students with invaluable information about effective study techniques, participation in study groups, avoiding procrastination, the importance of study/life balance perspectives, building resilience and persistence. (photos below)

The term concluded with a successful exam block where students were able to demonstrate resilience as a result of strategies they had implemented over the term to better manage stress and anxiety.

Term 4 promises to be equally enriching with initiatives planned:

- Year meetings addressing organisation and stress, for example walks, study breaks, suitable bedtime, reduction of mobile phone/ipad usage and Sun Hour;

- In Homeroom Circle "Take Five" activities: relaxation techniques, study timetables, goal setting, quick 20 min for catch up work;

- Creation of a YouTube channel with the aims of addressing life skills and reference points for student information.

- In Term 4 - the School Counsellor will be addressing Year 11 about mindfulness and managing stress/anxiety and building resilience;

- As usual there will be ongoing interviews with students regarding subject selection.

We are looking forward to a successful upcoming HSC year. As always we encourage students and parents to keep lines of communication open. Please if there are any concerns contact me at your convenience. Thank you.

Tania Toomey
Year 11 Mentor
On the 15th September, we travelled to Melbourne to compete in the 2016 AUSACA A Capella Semi Final Championships. In preparation for the competition, we had weekly rehearsals at De La Salle practising our performance piece, along with the choreography. During the weeks leading to the Championship, we were faced with certain obstacles such as group members not being able to attend rehearsal days, choreography issues and the vocal piece itself. Even though we were faced with these obstacles, we were able to overcome them and soldier on. As we have a small group, we got along with each other, and have created long lasting friendships. Although we were stressed, we had each other and that’s what counts in the end.

Leading up to the competition we were all on an emotional rollercoaster. Particularly mixed with trembling nerves and excitement. Some of us were new to the competition so we didn’t know what to expect. We practised so many times even in intermission breaks, which clearly proves that we were so anxious. Before our performance we took deep breaths and assured each other that everything would be okay so we should give it our all. Once we stepped onto that stage all the nerves were replaced with running adrenaline. I remember saying to myself before the tuning whistle was blown, ‘You made it all the way here. Just do the best you can.’

Overall, after the performance we were all relieved and filled with abundant joy that we did it! The practices, the sacrifices of time and preparations were all worth it.

Not only was getting awarded the ‘best soloist’ (Shaina left) a victory but what I treasured the most was the new friendships I made with the members during our stay in Melbourne.

MCCS Tennis
On Friday 14th October a group of Bethlehem students participated in the MCCS Tennis Competition. It was held at Parramatta City Tennis Courts. The girls all had a great day and competed to the best of their ability. The stand out results were:

- Shaolina Radevic U/15 Singles Champion
- Natasha Fragos Open Singles Runner Up
- Tiah Greco & Jasmine Chan U/15 Doubles Runners Up

CGSSSA News

CGSSSA Volleyball
On Tuesday 18th October the college sent a Junior and an Open Volleyball team to represent the college at the annual CGSSSA Volleyball tournament. Both teams played extremely well across the course of the day, which saw both teams make the semi finals of the competition. Unfortunately the Open Team was knocked out at this stage, losing their Semi Final. This is still an amazing feat and we are all very proud of Ms Tsiftsis and her team. The Junior team won their Semi Final and they progressed to the competition Final against Santa Sabina. The girls played their best but unfortunately Santa Sabina came away with the win in the end. Congratulations to Ms Stewart and her Junior Volleyball team for the amazing result. The college community is very proud!!

Upcoming CGSSSA Events in Term 4:
- Friday 28th October : CGSSSA Junior Water Polo
- Wednesday 2nd November : CGSSSA Open Water Polo
- Thursday 3rd November : CGSSSA Tennis - Singles & Doubles
