Dear Parents/Carers

RE: Staff Development Day Tuesday 12 June 2018

This year the College is continuing to focus on teacher and student growth in order to achieve the best learning outcomes for all of our students. With this in mind, I am writing to inform you that there will be a Staff Development Day/ Pupil Free Day on **Tuesday, June 12**.

On this day, all teachers will travel in small groups to a number of our Catholic Feeder Primary schools to spend time learning from our Primary colleagues and continuing to develop a K-12 perspective to enable us to better support our students as they transition from Primary to High School.

Students are not required to attend school on this day and are encouraged to continue their study at home. Limited supervision will be available for parents who are unable to provide supervision on this day. Please contact the College should you need to take advantage of this supervision.

Yours sincerely

Paula Bounds
