

Communication Channels 2019 - WHO TO CONTACT

We are privileged to work in partnership with you in the education of your daughters. Open, honest communication enhances the educative process. Below is some information which will assist you in this process. Your daughter's Homeroom (HRC) Teacher Mentor is the person who sees her every day and who monitors her general progress in all areas of school. Contact the HRC Teacher Mentor if you have concerns about illness, attendance, general behaviour, uniform and personal family matters.

- Your daughter's Subject Teachers monitor her progress in individual subjects and report back to you about her progress through reports and Parent/Teacher interviews. If you have concerns about your daughter's progress, do not hesitate to make contact with her Subject Teachers via Compass.
